LETTER TO THE OFFICIAL DRAFTSMAN

TO THE COMMISSIONER FOR PATENTS

SIR:

* In compliance with the notice in Form PTOL-37 in the
above-entitled application, applicant files herewith two (2)
sheets of formal drawings to replace the accepted drawings now
on file. Additionally, Applicants submit the following
statement of facts.

STATEMENT OF FACTS:

1. In the Office action dated May 5, 2005, Examiner Laura Hill noted that the drawings filed April 13, 2004 were accepted.
2. The Notice of Allowance mailed August 22, 2005 indicated that the drawings filed April 13, 2004 had been accepted by the Examiner.
3. Additionally, the Corrected Notice of Allowance mailed October 5, 2005 indicated that the drawings filed April 13, 2004 had been accepted by the Examiner.
4. In preparing to pay the Issue Fee, Applicants' attorney, Christopher M. Goff discovered that PAIR indicated that Formal Drawings were required and that a notice of Formal Drawings Required was mailed on August 22, 2005. The Formal Drawings Required was never received.

5. On or about November 2, 2005, Mr. Goff's associate, Jeannie M. Boettler, telephoned Examiner Hill. Examiner Hill directed Ms. Boettler to her LIE. Ms. Boettler subsequently telephoned the LIE and was directed back to Examiner Hill.
6. On or about November 17, 2005, Examiner Hill telephoned Ms. Boettler. Examiner Hill stated that she had spoken to the Draftsman and the only way to correct PAIR was to re-submit the drawings sent on April 13, 2004 with the Issue Fee.
7. Accordingly, the present Letter To The Official Draftsman and two (2) sheets of formal drawings are being filed with the Issue Fee.

In light of the foregoing facts, Applicants respectfully request the re-submitted drawings be accepted and for PAIR to be amended to reflect their acceptance.

Respectfully submitted,

Christopher M. Goff, Reg. No. 41,785
